PRESIDENT'S MESSAGE: Lara T. Bailey, SR/WA, R/W-NAC

Happy New Year, everyone!

We're already off and running in 2012 and look forward to making this another great year for Chapter 16!

Many thanks to our officers and board members for the timeless energy they give to keep Chapter 16 the great chapter that it is. Their dedication shows because it takes a lot of extra time and effort beyond the normal work and family routines to keep a chapter running smoothly.

And many thanks to you, our members, for renewing your membership with IRWA and Chapter 16. Without you there would be no Chapter 16. The officers and board members in Chapter 16 are here to serve the membership and to make it a valuable experience for you. Please call or e-mail us with any questions or concerns.

Our general meetings are coordinated with you in mind, and we are always looking for inspiring topics and speakers. Please call or e-mail me if you have a suggestion you would like to share.

On the education front, we are looking forward to partnering with NH DOT and

ME DOT on courses this year and appreciate their commitment to education and to Chapter 16.

Check out our web site at www.nechapter16.com. Here you will find information on upcoming meetings and courses as well as our bylaws and scholarship recipients. Soon we will be phasing out our paper newsletter and only having an online newsletter. Please let us know if you have any items you would like to add to the web site and newsletter. It's a great resource at your fingertips!

Take a moment as well to check out the IRWA web site at www.irwaonline.org. More great information awaits you here, including a career center, designation and certification guidelines and access to the online Right of Way Magazine. Please plan to join us for our next general meeting on February 10 at PEASE in Newington, NH. Watch your e-mail and the postcard notice for more details.
