President's Message:

Scott Lachance, SR/WA

A few weeks ago, some of us attended the Region 4 Spring Forum in Washington, PA. I had a great time at the Forum, with plenty of Region business to discuss, but also had a little bit of free time for some fun and to explore the community. I would like to say thank you to Chapter 55 for putting on a great Forum. One item of business at the Forum was to elect a Region Chair and Vice Chair. I am very proud to announce that Chapter 16 Past President, Rick Pino, was elected to the office of Vice Chair and will be installed for the two year term at the International Conference in Calgary next month. Rick is extremely dedicated to the IRWA and will serve the Region well. Congratulations Rick!

At our last General Membership Meeting in April we held a joint meeting with the Massachusetts Chapter of the Appraisal Institute. We had a pretty good turn out of IRWA members, and a slightly larger group from the Appraisal Institute. There was a brief presentation on the two associations and then a panel of speakers who discussed a few of the different disciplines that IRWA represented. The speakers did a great job of conveying the message that the IRWA includes many groups including the appraisers, which many in the room were not aware of. Hopefully some of the appraisers will be interesting in joining our Chapter. I hope to see you at one of our upcoming meetings. Be Safe.

Chapter 16 would like to welcome the following new member: Dawn Paddock of Dedham, MA. Dawn has recently accepted a job with Federal Highway in Massachusetts. We welcome you to the Chapter and hope to see you soon.

B.G. King Becomes Negotiation/ Acquisition Certified (R/W-NAC)

Chapter 16 would like to congratulate B.G. for obtaining her R/W-NAC Certification. B.G. is currently working for New Hampshire Electric Coop in Plymouth, New Hampshire.

The Right of Way (R/W) Certification is granted to IRWA members who have achieved professional status through experience, education and examination in a single right of way discipline. Earning this certification demonstrates an unparalleled achievement in a single discipline and reinforces a standard of excellence.
